

Accessibility Statement

Last Updated: 12/11/25

1. Commitment to Accessibility

Inontek Solutions LLC is committed to ensuring that our website (the “Site”) is accessible to as many people as possible, including individuals with disabilities. We strive to follow accessibility best practices and comply with applicable laws such as the Americans with Disabilities Act (ADA) and the Web Content Accessibility Guidelines (WCAG) 2.1.

2. Accessibility Measures We Take

To support accessibility, we have implemented the following measures:

- Use of clear headings, labels, and descriptive text
 - Keyboard navigability
 - Alternative text for meaningful images
 - High-contrast text where appropriate
 - Responsive design for various screen sizes
 - Compatibility with screen readers
 - Avoidance of flashing or distracting content
 - Regular review of our website’s accessibility features
-

3. Conformance Status

Our goal is to maintain compliance with **WCAG 2.1 Level AA** standards.

We continuously work to identify and fix accessibility gaps as technology and guidelines evolve.

4. Ongoing Efforts

We are committed to improving the accessibility of our Site and regularly:

- Test pages with automated accessibility tools
- Review feedback from users
- Update code and content to align with best practices

If you encounter an issue, we will make every reasonable effort to resolve it promptly.

5. Feedback and Contact Information

We welcome your feedback. If you experience difficulty accessing any content on our Site or need assistance, please contact us:

Email: sam@inontek.com

Phone: (970) 234-7489

Please include:

- The page or content you were trying to access
- A description of the problem
- Your preferred contact method

We will respond as soon as possible.

6. Compatibility

Our website is designed to work with:

- Current versions of major browsers (Chrome, Firefox, Safari, Edge)
- Desktop, mobile, and tablet devices

Some older browsers or outdated assistive technologies may not fully support all features.

7. Third-Party Content

While we strive to ensure accessibility across all parts of the Site, some third-party content or integrations (such as embedded videos, social media feeds, or external links) may not fully meet accessibility standards. We do not control these providers but encourage them to maintain accessibility.

8. Updates to This Statement

We may revise this Accessibility Statement periodically. Updates will be posted on this page with an updated “Last Updated” date.
